Thank you for joining our Troll family for a 5 Hours Glacier adventure on the Vatnajökull glacier!

Important information. Please read below!

Meeting Location

The meeting point is at Troll Expeditions Skaftafell [Tröll Expeditions Skaftafell – Google Maps](#). You need to arrive 20 minutes before departure time!

Our guides will be there to welcome you and to gear you up with the included glacier gears (Helmet, crampons, harness) ; they will also provide you with extras, in case you have booked them in advance, or if you would like to rent them at location (Hiking boots, waterproof clothing). Kindly note that ***you are responsible for informing the guide if you have booked extras (hiking boots, waterproof clothing): they apply to the 24h cancellation policy and become non-refundable after the tour.***

Please note that if you arrive after departure time your place on the tour can't be guaranteed or refunded.

NB: our meeting point is NOT in the Skaftafell Visitors Center!

Driving time from Reykjavik to the Meeting Point Troll Expeditions Skaftafell

It will take you around 4 hours and 30 minutes, in good road and weather conditions, to drive to the meeting point situated in the Skaftafell area from the capital city.

For toilets usage before joining the tour, we strongly suggest stopping at the Orkan Gas Station located 10minutes away from the meeting point.

Please make sure to check the roads conditions before start driving on the official website [Road.is -Roads conditions in Iceland](https://road.is/en/roads-conditions-in-iceland)

Clothing & Hiking Boots

It is very important to be properly dressed for this tour with an external waterproof layer, thermal under layer and comfortable outdoors clothing (hat and gloves according to the weather), in order for you to stay warm. Jeans are not an option for glacier activities!

As mentioned above, we rent waterproof clothing and hiking boots. We have all sizes available on location, feel free to ask our guides!

Communication

Please make sure to check your email (inbox and spam) before you hit the road, just to double check that everything is still running as scheduled. If the tour happens to get cancelled due to unfavourable conditions, then a cancellation email will be sent out as soon as possible.
